Things sellers MUST consider when selling the following:

- **Cosmetic products** - these are only suitable for selling if **unopened, originally for sale in the UK and before their use by date.**
- **Second Hand Slings (not bag-style slings, which have a deep pouch and an elasticated edge) - please include instructions where possible and put this disclaimer on the sling.**

“This sling/carrier is second-hand and the purchaser should check the sling thoroughly and satisfy themselves that it is safe, before use. If this sling is being sold without the manufacturers’ instructions, we recommend you contact the manufacturer and obtain the correct instructions for this sling to ensure you are using it correctly and safely.”
